

Frontwave Machine – Wait for me

Who do you see
When you look at me
Is it my father's face
Not my mother's grace

What do you hear
Whose words come to you ears
Who do you see
Who do you see
Who do you see

Do I have to pay
For things he used to say
For all the things he's done
I'm my father's son

I'm my father's son
I'm my father's son
I'm my father's son

Wait for me - Wait for me - Wait for me - Wait for me

Open up your eyes and look behind
There's more to see and wait for me
I have been there all the time
I have been there all the time
Open up your eyes and look behind
There's more to see and wait for me

Who do you see
When you look at me
Is it my father's face
Not my mother's grace

Open up your eyes and look behind
There's more to see and wait for me
I have been there all the time
I have been there all the time
Open up your eyes and look behind
There's more to see and wait for me
